

Dear Residents:

Your unit will be treated for rodents on the following date: _____

Please comply with these quick steps to insure better results.

- 1. Please remove all items from under your kitchen and restroom sink.**
- 2. Please inform office where activity was noticed (Bedroom, living room, closets) and have area clutter free for inspection and treatment.**
- 3. Report any holes in walls, around baseboards, or doors that don't seal properly to management to be repaired.**

We will be using a bait as well as dust (in wall voids) to eradicate this problem. Results may be noticed from 2 days to 2 weeks, depending on the amount and/or type of rodenticide that was consumed. Please keep lid on trash cans, and keep unit as clean as possible.

THANK YOU FOR YOUR COOPERATION IN THIS MATTER.

THE MANAGEMENT AND ASAP PEST CONTROL
